It's long past those times when books were so rare that not everyone could afford to have them. Today, everything has changed – the internet has appeared in our life. The internet is a huge database where you can find movies, music, magazines, and books in txt, DjVu, ePub, PDF formats. Visits to bookstores are not very popular today because most people prefer reading books and manuals in electronic formats. Numerous electronic books and tablets are driving paper versions out of the market.

Books in pdf and other formats are very convenient to read.
